## NEWSLETTER JULY / AUGUST 2017

**"The harvest is plentiful but the workers are few" Matt 9:37**

### **Dear Mission friends,**

Glory to God! Great is He in His glory – a wonderful loving Father who saved us through His unending grace and who ordained for us an eternal destiny. That is what He wants to do for all of us while we are busy with missionary work and evangelism.

Then we are in the will of the Father. We become His hands that reach out to millions of others. The harvest is incredibly big and the time is getting less in a world that is already more neutral and hostile towards the laborers who want to bring the life and light and who want to gather the harvest. But the Lord is a God of omnipotence and His work will thrive, even if hell glows with anger. Wonderful isn't it?!! Let us thank and praise and honor Him! All things are possible for Him, the victory will be sweet and glorious in His love for eternity. Let us stay faithful and give more and more for His cause so that the harvest will come in for His glory! Thank you very much that you do it. We are so deeply thankful towards you, our beloved supporters who bring

offerings so that everything can happen. We pray that the Lord will bless you abundantly.

### News from Cambodia:

This month we start to tell something about Sammy Ranguigan who has been very busy in Cambodia for many years. The place from where he is working is Battambang. But, he has established congregations all over Cambodia. The last number we heard of was eighteen. The photo above shows Sammy to the right and the pastor of that specific congregation, Pastor Sanai, to the left. The name of the pastor's wife is Hat and they have two girls. He is the pastor of 2 congregations. The church is situated in the western part of Battambang. Pastor Sanai obtained his diploma as church worker and is busy with Pastoral studies. Because it is so incredibly hot, there has not been given much attention to windows etc. A shed like this is completely satisfactory and it can handle a lot of people.

Last month we reported of a lady who looked for a sponsor for her 10 year old little girl Sina, who has never been in a school because of a lack of funds. Yvonne, Gretna and Ely were together in that small village just behind the house of Perlito and Rose. They are Christian workers who are supported by the Mission. They and Kathy, one of the Cambodian workers, went to visit the little village. At the end Yvonne offered to be the sponsor for the child, and after a beautiful conversation between Kathy and the parents, Beth and Bart, they accepted Jesus as Redeemer and Saviour. This was a big miracle, because these people in the little village, as far we can see, are sworn Buddhists.

Sina was then taken up in a good school and in the afternoon she is at the after care center of Perlito and Rose, named Bridge of Hope. They teach her Bible and English. A while later Sina's grandmother became sick to death. The medicine of the doctor did not work, and so another miracle happened. Sina prayed for her grandmother in the Name of Jesus, and her granny GOT

HEALED IMMEDIATELY.

There is a lot of prayer going on that this will spread like a wild fire through the little village, and that everybody will see who is the only true God, namely Jesus Christ!

The news from the Philippines is very encouraging, we place a portion of the report of Joel Isang. He writes that he is busy with quite a lot of disciples who are already making other disciples, and he

and his wife Susan keep themselves busy with various bible studies. He also reports that they had a very successful VBS (Vacation Bible School). In this way children of all ages are reached and served with the Gospel.

We see on the next two following photos two groups of very proud children who are showing their certificates after they have completed the VBS. How good it is to see that children from small to big can be reached in such a beautiful way in the Philippines with the Gospel. There is almost not one church who does not present something like that in their long holiday which

commences at the end of March and only ends in middle of June. We thank the Lord for these incredible attempts of many pastors and Christian workers.

### **Thanks & Prayers!**

Please pray seriously for the persons and matters which have been mentioned in this newsletter. Pray particularly for Sina and her parents, that they will follow Jesus Christ with their whole hearts, and that the whole little village will turn away from the idols and will follow Jesus.

Thank you for the wonderful and faithful inspiration that you are to us! The Lord's blessing will be upon you.

With all our love  
Yvonne, the two teams and Mercy in China
