## NEWSLETTER NOVEMBER / DECEMBER 2017

**“...and repentance and forgiveness of sins be preached in His name to all nations, beginning at Jerusalem.” Luke 24:47**

### **Dear Mission friends,**

The Lord is gracious and good. Especially if one is busy with his matters, you find this truth over and over again. And one is amazed to see how the Lord builds His Kingdom with our weak efforts.

We are almost every day amazed to see what the Lord is doing in Asia. Then we can just bow low in worship.

*Dra Sharon invited Yvonne to speak about respect for your seniors. She took the liberty to show first of all that you should have respect for our Lord God and how esteem for others will follow after that.*

We are also full of appreciation for you as missionary friends who give yourself in prayer and offerings. We realize very well that we cannot make it without you. Thank you very, very much for the blessing which you dish out and we know that you will receive it back in eternity. Thank you once again.

In this newsletter we want to set up a photo image and sketch some situations which happened during the course of the year. Since last year we have emphasized that our team members must teach disciples to make disciples and to help them to get new bible studies going. Therefore most of the photos emphasize that fact.

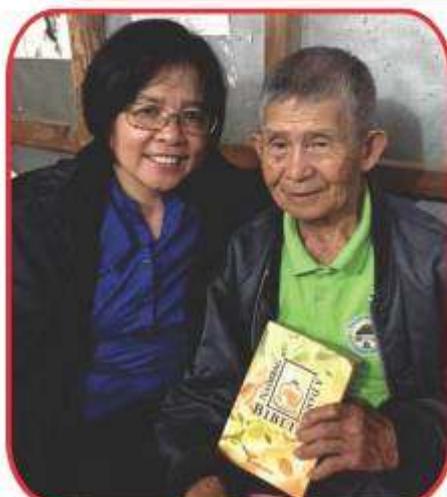

**Imelda Sedano is a real whiplash in the Mission Asia 2000 team. Here Gretna & Yvonne are with her where she introduced two disabled people with whom she regularly has bible studies.**

**Here we see Imelda in the beautiful Burnham Park, Baguio where she leads a young girl to the Lord.**

**Brother Mel, who is the oldest in the Mission's team, trained a lot of disciples who have their own ongoing bible studies, and Christy the young lady next to Yvonne led this bible study with this big group of people.**

**Ely, the Mission's coordinator in the Philippines has also an incredible long list of bible studies which she handles and that in spite of a very demanding job at the Seminary and many more duties and responsibilities with orphan children which she took into her house. This photo shows a formerly heathen priest (pagan priest) who was totally in the occult with the worshipping of spirits. With Ely's help he came out of it and he is now a born again child of the Lord.**

We see here a bible study led by our dearest pastor Joel Isang. This is a special study for the young people of his church.

One of past Ludy's young people who is leading a bible study with other young people of the congregation.

To the right stands Norma one of our oldest team members. On the right and in front of her are two young girls which she has trained to do their own bible studies.

## **Thanks & Prayers!**

Now we just want to close with the prayer that you all with your family and other dear ones will have a blessed and significant Christ festive season. May Christ be the One that's in the center of your celebrations?

Once again we want to thank you for the wonderful support which we received during the year. We are very aware that many people prayed for us, otherwise the work would not proceed so well and even extend. Please continue to pray for all the work that is done and for each of the workers in the team.

With all our love  
Yvonne, the two teams and Mercy in China
