NEWSLETTER JULY / AUGUST 2018

“From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked.” Luke 12:48b

Dear Mission friends,

How precious are you to us and to the Lord. You are busy with work that will last for all eternity. Forever there will be gratitude towards you who sacrifice in giving, time and prayer. But what is more meaningful is the eternal value, because your love will be like a beacon that exists for ever and ever. We thank and honor the Lord who settle this in your hearts.

Vacation Bible School – The Philippines

In this newsletter we want to give you some insight in the lives of the children of the Philippines. It was now their big holiday and many children of different churches participated in the VBS (Vacation Bible School). We thank the Lord for the hundreds, maybe thousands of children from about 5-14 years old who participated, and who learned what it means to start having a true relationship with our wonderful Lord Jesus.

The first photo on page 1 shows a typical group of children at a Vacation Bible School

for children. These children who were under the control of Ely Sebian, our coordinator in the Philippines and a person who will put in everything that she can to help orphans and other children who has been rejected and abused in many different ways. She will take them in and care for them and show them a lot of love.

Above Left: This photo shows a group of children in Pastor Joel's congregation and here they are singing a song with actions.

Above, Right: Another group of smaller children who do actions together with a song. What a beautiful sight!

Left: This group has already received their certificates and they look very happy and impressed.

Left: It's not only with Vacation Bible School that children will be reached by the Gospel. Here we see Gretna and Virgie who presented a children's club. Some of the children have a granny or mommy with them. At this stage the club is still continuing. The lady who takes care of it now is

one of the converts that gave her life to the Lord while Gretna and Virgie did outreaches in that area.

Right: Here at Pacalso Elementary School Virgie and Gretna had the chance to teach "Values Education" for many months. This was a

wonderful opportunity to teach the children what it means to invite Jesus as their Saviour into their hearts. Today there are many schools who allow Christian volunteers to come and present this course. We thank the Lord for such an opportunity.

Above Left: These little children on the stage are children who are trained in a Christian Nursery School. As small as they are, they also have a graduation day at

the end of the school year. Except that they receive prizes and medals they also perform with singing and dancing, and it is great fun for everyone. Some already have their medals pinned on their clothing.

Below: The Vacation Bible School there is always time for crafts. They enjoy it a lot.

This is now a totally different newsletter, but we would like you to see how much spiritual attention the children receive in the Philippines. At some later date we hope to show you the same kind of news of Cambodia.

Thanks & Prayers!

Once again we just want to thank you from our hearts for all your love, sympathy, financial support and above all the prayers that goes up for our work. We believe you will receive the richest blessings from the Lord for all you are doing for this Mission.

Please remember to pray very seriously for our dear Dra Sharon who is so sick and endure so much pain. Also please pray for every worker and for an abundance of funds so that this work can continue.

With all our love in Jesus Christ
Yvonne and the two teams.

We want to assure you that we will never make misuse of your name and address. If at any stage you would like to unsubscribe from this newsletter, please let us know and we will remove your name and address from our mailing list.
